2002 Annual Meeting
May 4 – May 7 * Baltimore MD

Instructions for Poster Presentation

Posters will be presented during 4 sessions. Saturday, Sunday and Monday sessions will be held in **Exhibit Halls G & F** and the Tuesday poster session will be in Ballroom I/II, at the Baltimore Convention Center. The time, date and poster order, are noted on the enclosed notification. Please be prepared to remain by your poster for the time specified below and discuss research personally with interested individuals. Posters may consist of brief introductory statements and conclusions, graphs, diagrams and photographs. **Tacks and your assigned poster order number will be provided.**

The poster board is 4' high and 8' wide (see next page). Posters may be prepared from individual, backed pieces, or photocopied on a single sheet. Prepare a sign for the top of your poster space indicating its title, authors and institutions. The lettering for this section should be at least 1" high. Bring a copy or reproduction of your abstract to post in the upper right corner of the board. All illustrations should be made up beforehand. Bear in mind that these must be read from distances of about 3' or more. Charts, drawings and illustrations might well be similar to those you would use in making slides. Mounting material for illustrations or poster segments should be firm, but not so heavy it will be difficult to secure in place on the poster board. Hand lettered material should contain bold lettering at least 3/8" high. Shade block letters where possible. Keep illustrative material simple. You will find it useful to have on hand a tablet of paper as well as one or two felt marking pens. You may be contacted by SciFor, Inc., who, for a fee, can assist poster presenters with the production of their posters. Should you not be interested in this service, please disregard that email. Visit our website at www.pas-meeting.org to link to SciFor, Inc. for further information on their services.

If you have special requirements or questions, please contact the PAS Program Office.

Poster Session Schedules
