

2002 PAS Annual Meeting—Schedule At a Glance

THURSDAY, MAY 2 (Alliance Schedules)

<i>Morning</i>	<i>Afternoon</i>	<i>Evening</i>
<p>7:00am – 8:00am American Society for Pediatric Hematology/Oncology (ASPHO) Workshops <ul style="list-style-type: none"> • Pediatric Cancer • Bone Marrow Failure </p> <p>8:15am – 9:00am ASPHO Keynote Address</p> <p>9:00am – 11:30am ASPHO Symposium <ul style="list-style-type: none"> • Iron Metabolism in Health and Disease </p> <p>11:30am – 12:30pm ASPHO Frank A. Oski Memorial Lecture <ul style="list-style-type: none"> • Pediatric Hematology/Oncology: A Look into the Future </p> <p>11:30am – 1:00pm Association of Pediatric Program Directors (APPD) Coordinators Poster Session</p>	<p>12:30pm – 2:30pm ASPHO Luncheon Symposia <ul style="list-style-type: none"> • From Anti-coagulation to Coagulation Therapy: Issues Specific to the Pediatric Patient • What Is the Standard of Care for Treating Pediatric ITP? </p> <p>1:00pm – 5:00pm APPD Forums <ul style="list-style-type: none"> • Small Programs • Chief Residents • Program Coordinators • Chairs </p> <p>2:30pm – 3:00pm ASPHO Dessert Break with Exhibits</p> <p>3:00pm – 5:00pm ASPHO Symposium <ul style="list-style-type: none"> • Novel Strategies for Lymphoma in Children </p>	<p>5:00pm – 6:30pm ASPHO Grand Opening Reception with Exhibits</p> <p>5:00pm – 6:30pm APPD Task Force Meetings</p> <p>6:30pm – 7:30pm APPD Opening Reception</p>

FRIDAY, MAY 3 (Alliance Schedules)

<i>Morning</i>	<i>Afternoon</i>	<i>Evening</i>
<p>7:00am – 8:00am APPD Regional Breakfast Meetings</p> <p>7:15am – 8:15am ASPHO Workshops <ul style="list-style-type: none"> • Immune Thrombocytopenia • Thrombotic Disorders </p> <p>8:00am – 12:00pm APPD Plenary Session</p> <p>8:30am – 10:30am ASPHO Symposium <ul style="list-style-type: none"> • Pediatric Brain Tumors—Current Approaches to Dose Intensification </p> <p>10:30am – 12:00pm ASPHO Exhibits Open</p> <p>11:00am – 12:00pm ASPHO Workshops <ul style="list-style-type: none"> • Young Investigator's • Practice Management • Hereditary Bleeding Disorders </p>	<p>12:00pm – 2:00pm ASPHO Luncheon Symposia <ul style="list-style-type: none"> • Novel Cytokines for Hematologic Support • Hemostasis Update: New Techniques for Managing Excessive Bleeding </p> <p>11:00am – 2:30pm LWPES Committees <ul style="list-style-type: none"> • Drugs and Therapeutics • Intersex • Program </p> <p>1:30pm – 5:00pm APPD Workshops</p> <p>2:00am – 4:30pm ASPHO Presidential Symposium <ul style="list-style-type: none"> • Update on Acquired Hemorrhagic and Thrombotic Disorders During Childhood </p> <p>4:30pm – 5:00pm ASPHO Distinguished Career Award</p>	<p>5:00pm – 5:30pm ASPHO Business Meeting</p> <p>5:00pm – 6:00pm APPD Poster Session</p> <p>5:30pm – 6:00pm ASPHO Distinguished Career Award Reception</p> <p>6:00pm – 8:00pm LWPES Reception</p> <p>6:30pm ASPHO Special Event</p>

2002 PAS Annual Meeting—Schedule At a Glance

SATURDAY, MAY 4 (Begins PAS Schedule)

Morning

7:30am – 8:30am

ASPHO Workshops

- Hemoglobinopathy
- Histiocyte

8:30am – 11:30am

Workshops

4000–4003

8:30am – 11:30am

Special Interest Groups

- Child Abuse
- Directors of Divisions of General Pediatrics
- Managed Care
- Newborn Nursery
- Nutrition
- Pediatric Telephone Care

8:30am – 10:45am

LWPES Plenary Session I

- Genentech Clinical Scholar
- Lawson Wilkins Lecture

9:15am – 12:00pm

Mini Courses

- Long-Term Effects of Childhood Cancer
- Stem Cell Transplantation

10:00am – 12:00pm

Educational Seminars

ES01–ES12

11:00am – 12:00pm

LWPES Business Meeting

11:00am – 12:30pm

ASPEN Committee Meetings

- Public Policy
- Research

Afternoon

12:00pm – 3:00pm

Mini Courses

- Adolescent Medicine - Part I—Current Research Issues
- Genetics for the Pediatrician: The Intersection of General Pediatrics and Genetics
- Shifting Paradigms of Neonatal Sepsis
- Sports Participation by Chronically Ill Children and Adolescents: Let the Games Begin!
- The New Pediatrics in the Genomic Era
- Update on Injury Control

12:00pm – 3:00pm

Workshops

4106–4108

12:00pm – 3:00pm

Special Interest Groups

- Advocacy Training
- International Health
- School and Community Health

1:00pm – 3:00pm

Subspecialties/Themes

(Original Science Abstract Programs)

- Education: Residents
- Hematology–Oncology I
(ASPHO Young Investigator and SPR David G. Nathan Award Lectures)
- Historical Perspectives

1:00pm – 3:00pm

ASPEN Symposium

- Vasculitis and Renal Disease in Children

1:00pm – 3:00pm

LWPES Esoterix Lecture/ Genetics Symposium

1:00pm – 3:00pm

Educational Seminars

ES13–ES27

3:15pm – 5:15pm

Topic Symposia

- Cloning and Embryonic Stem Cells
- Innate Immunity
- Stroke in Childhood

3:15pm – 5:15pm

Subspecialties/Themes

(Original Science Abstract Programs)

- Adolescent Medicine I
- Behavioral Pediatrics I
- Health Services Research: Quality of Care
- Infectious Diseases: Understanding Microbial Targets of Virulence and Pathogenesis
- Inflicted Trauma/Child Abuse
- LWPES Fellow Awards and Molecular Studies: Endocrinology I
- Neonatal and Fetal Nutrition and Metabolism I
- Nephrology I
- Pulmonary Vascular Biology

Afternoon/Evening

3:15pm – 5:15pm

APA Committees

- Education Committee
- Health Care Delivery Committee
- Public Policy/Advocacy Committee
- Research Committee

4:00pm – 7:30pm

Commercial Exhibits Open and Posters Available for Viewing

*Available for Viewing—4:00pm – 7:30pm
Author Attendance—5:15pm – 7:15pm*

5:15pm – 7:15pm

Poster Session I *(Author Attended)*

Opening Reception

- Adolescent Medicine
- Behavioral Pediatrics
- Education
- Emergency Medicine
- Endocrinology
- Epidemiology
- General Pediatrics and Preventive Pediatrics
- Hematology and Oncology
- Neonatology
- Nephrology
- Neurology

7:15pm – 8:30pm

PAS Presidents Reception Honoring New Members

7:30pm – 9:00pm

Perinatal Nutrition and Metabolism Club

- Long-Term Developmental Consequences of Perinatal Malnutrition

8:00pm – 10:00pm

ASPEN Resident/Trainee Reception

2002 PAS Annual Meeting—Schedule At a Glance

SUNDAY, MAY 5

Morning

7:00am – 8:00am

LWPES Program Directors' Breakfast

7:00am – 8:30am

ASPN Breakfast Business Meeting

7:30am – 9:00am

APA Past Officers Breakfast

8:00am – 10:00am

LWPES Plenary Session II

- Presidential Lecture
- Robert Blizzard Lecture

8:00am – 10:00am

Topic Symposium

- Inflammatory Disorders of the Cardiopulmonary System
- Measuring and Improving Quality in Academic Medical Centers

8:00am – 10:00am

Subspecialties/Themes

(Original Science Abstract Programs)

- Behavioral Pediatrics II
- General Pediatrics I
- Genetic Basis of Disease
- Hematology–Oncology II
(ASPHO Young Investigator Award Lecture)
- Neonatal and Fetal Nutrition and Metabolism II
- New Topics in Childhood Immunization Delivery
- Perinatal and Neonatal Infectious Diseases

8:00am – 11:00am

Mini Course

- Adolescent Medicine - Part II—Eating Disorders

8:00am – 11:00am

Workshops

5100–5108

8:00am – 11:00am

Special Interest Groups

- AIDS/HIV
- Complementary and Alternative Pediatrics
- Emergency Medicine
- Medical Informatics
- Medical Student Education
- Pain
- Practice-Based Research Networks

9:00am – 11:00am

ASPN Symposium

- Molecular Determinants and Clinical Implications of Renal Tubular (Dys)Function

10:00am – 3:00pm

Commercial Exhibits Open and Posters Available for Viewing

Available for Viewing—10:00am – 3:00pm
Author Attendance—11:45am – 1:45pm

Afternoon

10:15am – 11:45am

APS Presidential Plenary, Howland Award & (11:15 AM) St. Geme Award

- Presidential Address, *Judith G. Hall*
- John Howland Award
- Joseph W. St. Geme, Jr. Leadership Award

10:15am – 11:45am

LWPES Professional and Clinical Affairs Program

- Reimbursement Issues in Diabetes Care

11:45am – 1:45pm

Poster Session II and HRSA Workshop Posters

(Author Attended)

- Endocrinology
- General Pediatrics and Preventive Pediatrics
- Hematology and Oncology
- Infectious Diseases
- Neonatology
- Nephrology

12:00pm – 1:30pm

Perinatal Brain Club

- Use of Cranial Ultrasound and Advanced Magnetic Resonance Imaging Techniques in the Understanding and Detection of Neonatal Brain Injury

12:00pm – 2:00pm

APA Luncheons

- Region Chairs
- SIG Chairs
- Fellows

1:45pm – 2:30pm

LWPES Fellows and Junior Faculty Session

- Career Development

1:45pm – 2:30pm

State of the Art Plenary

- Children as Victims of Bioterrorism: Protecting the Fragile Host

2:00pm – 4:00pm

State of the Art Plenary

- Children as Research Subjects: Ethical and Regulatory Issues
- See other sessions at 2:30 pm*

2:00pm – 4:00pm

Topic Symposium

- Cancer, Blood and the Kidney: Common Themes

2:00pm – 5:00pm

Workshops

5600–5609

2:00pm – 5:00pm

Special Interest Groups

- Behavioral Pediatrics
- Culture, Ethnicity and Health Care
- Environmental Health
- Injury Control
- Women in Medicine

Afternoon/Evening

2:30pm – 4:00pm

State of the Art Plenary

- Developmental Biology and Pediatrics
- Insulin Resistance Syndromes
- Pediatric Research and the Human DNA Sequence: Approaching Defects of Host Defenses in the Genomic Era

4:15pm – 6:15pm

Topic Symposia

- End-of-Life Palliative Care
- IUGR—Recent Advances
- The Molecular Basis of Clinical Manifestations of Infection

4:15pm – 6:15pm

Subspecialties/Themes

(Original Science Abstract Programs)

- Adolescent Medicine II
- Brain Imaging
- Cardiopulmonary Development
- Clinical Investigation: Endocrinology II
(ends at 6:00pm)
- Emergency Medicine/Infectious Diseases
- Genetics/Inborn Errors of Metabolism
- Neonatal Epidemiology and Follow-Up
- Neonatal Immunity *(Featured Speaker: Christopher B. Wilson)*
- Neonatology—Patient-Oriented Research I: Clinical Outcomes
- Nephrology II
- Pain: Opportunities and Outcomes
(Featured Speaker: Jeffrey L. Blumer)
- Pediatric Nutrition and Metabolism
- Pulmonology

5:00pm – 6:00pm

APA Business Meeting and Awards

- Health Care Delivery Award
- Ray E. Helfer Award for Innovation in Pediatric Education
- International Health Research Award
- Ludwig-Seidel Award
- Public Policy Award
- Research Award

7:30pm – 10:00pm

ASPN Reception

Evening

APS Member Dinner

in honor of the Howland Awardee

By invitation — APS Members only

2002 PAS Annual Meeting—Schedule At a Glance

MONDAY, MAY 6

Morning

7:00am – 8:00am

Public Policy 16th Annual Legislative Breakfast Symposium

- Privacy and Confidentiality Regulations and Their Impact on Health Research and Academic Medicine

7:00am – 8:00am

APA Regional Breakfasts

7:30am – 9:30am

ASPN Breakfast and Awards

8:00am – 10:00am

Topic Symposia

- Human Brain Imaging: Insights into Development and Plasticity
- New Strategies in Pediatric Heart Failure: Basic Science to Clinical Practice
- The Scholarship of Teaching: How Can Excellence Be Judged?

8:00am – 10:00am

Subspecialties/Themes

(Original Science Abstract Programs)

- Advances in Clinical Nutrition
- Allergy, Immunology and Rheumatology: Cytokines and Signalling Molecules
- Developmental Biology I
- Diabetes and Endocrinology
- Dymorphology and Teratology
- Infectious Diseases: Focus on Future Vaccines
- Injury
- Neonatology—Patient-Oriented Research II
- Oxidants—Antioxidants
- Underserved Populations I

9:00am – 12:00pm

Workshops

6100–6111

9:00am – 12:00pm

Special Interest Groups

- Faculty Development
- Health Services Research
- Literacy Development Programs in Primary Care

10:00am – 12:00pm

ASPN Symposium

- Molecular Basis of Renal Development and Disease

10:15am – 12:00pm

SPR Presidential Plenary, Awards and E. Mead Johnson Awards

- Presidential Address, *Alan M. Krensky*
- Student, House Officer & Fellow Awards
- Young Investigator Award
- E. Mead Johnson Awards

10:15am – 12:15pm

Subspecialties/Themes

(Original Science Abstract Programs)

- Emergency Medicine/Respiratory Disorders
- Emergency Medicine—Psychiatric/General
- General Pediatrics II
- Neurodevelopmental Disabilities I: Prenatal and Postnatal Influences on Developmental Outcome
- Underserved Populations II

Afternoon

10:30am – 12:30pm

LWPES Plenary Session III

- Breaking the Obesity—Type 2 Diabetes Link

11:30am – 2:30pm

Commercial Exhibits Open and Posters Available for Viewing

Available for Viewing only

11:45am – 1:15pm

The 29th Annual Audrey K. Brown Kernicterus Symposium

12:00pm – 1:00pm

Bioethics Interest Group

- Is It Quality Improvement OR Is It Research?

12:15pm – 1:00pm

APS Business Meeting

12:15pm – 1:00pm

SPR Business Meeting

12:30pm – 2:30pm

March of Dimes Prize in Developmental Biology Lectures

- From the Gene to the Organism
Seymour Benzer
- Sydney Brenner

1:00pm – 3:00pm

ASPN Symposium

- ESRD – Long Term Issues

1:30pm – 5:30pm

APA Presidential Plenary and Armstrong Lecture

- Presidential Address, *James Seidel*
- Lifetime Achievement Award
- International Health Award
- Armstrong Lecture

2:45pm – 4:45pm

Topic Symposia

- Antibiotic Resistance: The Race Is On (*PIDS Symposium*)
- Gene Nutrient Interaction

2:45pm – 4:45pm

Subspecialties/Themes

(Original Science Abstract Programs)

- Bilirubin: Bench to Bedside
- Cardiology I (*SPR Richard D. Rowe Award Lecture*)
- Clinical Bioethics
- Developmental Biology II
- Gastroenterology
- Gut Integrity—Necrotizing Enterocolitis
- Mechanisms of Brain Injury
- Mechanisms of Tissue Injury: Apoptosis
- Nitric Oxide/Carbon Monoxide
- Novel Approaches to Neonatal Diseases
- Perinatal Lung Growth and Function
- The Lula O. Lubchenco Symposium on Neonatal Epidemiology and Follow-Up (*Featured Speaker: Virginia Delaney-Black*)
- Ventilator Strategies: Benefits and Limitations

Afternoon/Evening

2:45pm – 4:45pm

Milk Club

- Breastfeeding: Global Advances. Environmental Concerns

4:00pm – 6:45pm

Commercial Exhibits Open and Posters Available for Viewing

Available for Viewing—4:00pm – 6:45pm
Author Attendance—4:45pm – 6:30pm

4:45pm – 6:30pm

Poster Session III (*Author Attended*)

- Allergy, Immunology and Rheumatology
- Cardiology
- Critical Care
- Developmental Biology
- Dymorphology and Teratology
- Gastroenterology
- Genetics/Inborn Errors of Metabolism
- Neonatology
- Neurology
- Pharmacology

5:00pm – 6:00pm

PIDS Business Meeting

6:00pm

PIDS Annual Dinner and Awards Banquet

6:45pm – 8:15pm

Lung Club

- Surfactant Proteins: Multifunctional Defenders of the Alveolus

6:45pm – 9:15pm

Society for Developmental Pediatrics Annual Meeting

Evening

APA Board/Awardees Dinner

2002 PAS Annual Meeting—Schedule At a Glance

TUESDAY, MAY 7

Morning

8:00am – 10:00am

Topic Symposia

- Advances in Autism: Etiology, Imaging and Treatment
- Neonatal Cholestasis

8:00am – 10:00am

Subspecialties/Themes

(Original Science Abstract Programs)

- Cardiology II
- Clinical Trials: Perinatal and Neonatal II
- Developmental Pharmacology
- Education: Medical Students
- General Pediatrics III
- Health Services Research: The Practice and the Patient
- Inflammation in Lung Injury and Remodelling
- Injury: Motor Vehicle
- Modeling To Detect Bioterrorism and Other Threats to Public Health
- Neonatology—Patient-Oriented Research III: Metabolism and Nutrition
- Neuro Protection and Apoptosis
- Underserved Populations III

8:45am – 11:45am

Mini Course

- Controlling Asthma in the New Millennium

8:45am – 11:45am

Workshops

7100–7108

8:45am – 11:45am

Special Interest Groups

- Community-Based Physicians
- Continuity Clinic
- Pediatric Emergency Medicine Program Directors
- Pediatric Tobacco Issues
- Pediatrics for Family Practice
- Race in Medicine
- Serving the Underserved

10:00am – 11:45am

State of the Art Plenary

- Pediatric Pain
- Pharmacogenomics: Clinical and Therapeutic Implications
- Regenerative Medicine—From Stem Cells to Tissues

Afternoon

12:00pm – 1:30pm

Poster Session IV &

Closing Reception *(Author Attended)*

- Behavioral Pediatrics
- Cardiology
- General Pediatrics and Preventive Pediatrics
- Neonatology
- Pulmonology

1:45pm – 3:45pm

Hot Topics

- Models for Building Mental Health Capacity in Pediatric Primary Care
- The Cytokine Controversy
- Disaster Preparedness: Beyond 9-11

1:45pm – 3:45pm

Subspecialties/Themes

(Original Science Abstract Programs)

- Asthma
- Critical Care
- General Pediatrics IV
- Health Services Research
- Neurodevelopmental Disabilities II: Autism, ADHD and Neuroimaging
- Underserved Populations IV

See you in Seattle, Washington!

2003 PAS Annual Meeting

Saturday, May 3 – Tuesday, May 6

Washington State Convention Center
