

*The Pediatric Academic Societies welcome the affiliate societies and clubs who will host program activities and/or co-sponsor programs with the 2004 PAS in San Francisco!*

## **ALLIANCE/AFFILIATE SOCIETIES**

Attendance at an alliance society meeting is open to any interested attendee, but some alliances require a registration fee separate from the PAS, while others do not. Refer to general information and program details specific to each alliance beginning on page 56. Contact information for each alliance is noted. Please contact the alliance or PAS if you have any questions about any particular alliance meeting.

American Academy of Pediatrics\*  
American Society of Pediatric Hematology/Oncology  
American Society of Pediatric Nephrology  
Association of Pediatric Program Directors  
International Pediatric Hypertension Association\*  
Lawson Wilkins Pediatric Endocrine Society  
North American Society for Pediatric Gastroenterology, Hepatology and Nutrition\*  
Pediatric Infectious Diseases Society  
Society for Adolescent Medicine\*  
Society for Developmental Pediatrics

\*Co-hosts programming with PAS only

## **CLUBS**

Individual clubs organize these events. Programming is generally scheduled so as not to conflict with PAS programs or activities. Individual clubs are open to all attendees at no additional fee. Some clubs are held at the Moscone West Convention Center during the PAS, while others are held during evening hours at area hotels.

Bioethics Interest Group  
Directors of Research in Pediatrics  
Global Paediatric Research Symposium  
Kernicterus Symposium  
Lung Club  
Milk Club  
Neonatal Hemodynamics Club  
Neonatal Sepsis Club  
Perinatal Brain Club  
Perinatal Nutrition and Metabolism Club

*Clubs are open to all attendees at no additional fee.  
Some clubs are held at the Moscone West Convention Center during the PAS,  
while others are held during evening hours at area hotels.*

## **3480A Bioethics Interest Group**

Monday, May 3, 12:00pm – 1:00pm  
Moscone West Convention Center

*Chair: Susan Albersheim, British Columbia's Children's Hospital*

### **Ethical Considerations in Research with Socially Identifiable Populations**

Jim Jarvis, University of Oklahoma College of Medicine, Oklahoma City, OK

*Contact for information:*

Susan Albersheim, M.D.

British Columbia's Children's Hospital

Phone: 604-875-2135

Email: salbersheim@cw.bc.ca

## **2600A Directors of Research in Pediatrics**

Sunday, May 2, 12:00pm – 1:30pm  
Moscone West Convention Center

### **Pediatric Centers of Research Excellence**

Drs. Thomas Boat and David Williams, Cincinnati Children's Hospital Medical Center, Cincinnati, OH will discuss a proposal for the establishment – on a national scale – of Pediatric Centers of Research Excellence.

*Contact for information:*

Nina F. Schor, M.D., Ph.D.

Children's Hospital of Pittsburgh

Phone: 412-692-6182

Email: nfschor@pitt.edu

## **3470A 21st Annual Audrey K. Brown Kernicterus Symposium**

Monday, May 3, 11:45am – 12:45pm  
Moscone West Convention Center

*Chairs: David K. Stevenson, Stanford University School of Medicine, Palo Alto, CA; and William J. Cashore, Women & Infants Hospital of Rhode Island, Providence, RI*

### **Possible Protective Role of ABC Transporters in Bilirubin Encephalopathy**

J. Donald Ostrow, Affiliate Professor of Medicine, Gastroenterology/Hepatology Division, University of Washington School of Medicine Research Associate, Research Service VA Puget Sound Health Care System, Seattle Division, Seattle, WA

### **Implications of the New AAP Guidelines for the Management of Near-Term and Term Neonates with Hyperbilirubinemia**

M. Jeffrey Maisels, Chairman, Department of Pediatrics, William Beaumont Hospital, Royal Oak, MI

*Supported by an educational grant from Natus Medical, Inc.*

*Contact for information:*

David K. Stevenson, M.D.

Stanford University School of Medicine

Phone: 650-723-5711

Email: dstevenson@stanford.edu

## **3990A Lung Club**

Monday, May 3, 6:45pm – 8:00pm  
Hilton San Francisco

### **When and Why Infants Don't Breathe: Biologic Basis for Therapeutic Strategies**

Richard J. Martin, Rainbow Babies and Children's Hospital, Cleveland, OH

*Supported by an educational grant from Ross Pediatrics*

*Contact for information:*

Roberta A. Ballard, M.D.

Children's Hospital of Philadelphia

Phone: 215-590-1653

Email: ballard@email.chop.edu

## **2610A Milk Club**

Sunday, May 2, 12:00pm – 1:45pm  
Moscone West Convention Center

*Chair: Ardythe L. Morrow, Cincinnati Children's Hospital Medical Center, Cincinnati, OH*
