

Advanced Attendee Registrant List

May 5-8

Toronto, Canada

Pre-show mailings increase booth traffic and exposure of your company's products and services. Excel files for the PAS pre-registrants are made available to contracted exhibitors at no cost. Please complete this Advanced Attendee Registrant List request form and return to the PAS Exposition Office by March 28, 2007, if you wish to receive the list in time for your mailing. Lists will be sent out in electronic format (Microsoft™ Excel spreadsheet) the week of April 2, 2007. As the PAS does require that your promotional piece be approved before it is mailed to the registrants, please send your promotional proofs to the PAS Exposition Office together with your completed Advanced Attendee Registrant List request form.
