

Accreditation

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of Tulane University Health Sciences Center and the Pediatric Academic Societies. Tulane University Health Sciences Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Designation

Tulane University Health Sciences Center designates this educational activity for a maximum of 61.5 *AMA PRA Category 1 Credits™* (includes 20.5 credits for APPD sessions). Physicians should only claim credit commensurate with the extent of their participation in the activity.

Tulane University Health Sciences Center presents this activity for educational purposes only and does not endorse any product, content of presentation, or exhibit. Participants are expected to utilize their own expertise and judgment while engaged in the practice of medicine. The content of the presentations is provided solely by presenters who have been selected because of their recognized expertise.

Disclosure Policy

It is the policy of the Center for Continuing Education at Tulane University Health Sciences Center to plan and implement all of its educational activities in accordance with the ACCME's Essential Areas and Policies to ensure balance, independence, objectivity and scientific rigor. In accordance with the ACCME's 2004 Standards for Commercial Support, everyone who is in a position to control the content of an educational activity certified for *AMA PRA Category 1 Credit™* is required to disclose all relevant financial relationships with any commercial interests within the past 12 months that creates a real or apparent conflict of interest. Individuals who do not disclose are disqualified from participating in a CME activity. Individuals with potential for influence or control of CME content include planners and planning committee members, authors, teachers, educational activity directors, educational partners, and others who participate, e.g. facilitators and moderators. This disclosure pertains to relationships with pharmaceutical companies, biomedical device manufacturers,

or other corporations whose products or services are related to the subject matter of the presentation topic. Any real or apparent conflicts of interest related to the content of the presentations must be resolved prior to the educational activity. Disclosure of off-label, experimental or investigational use of drugs or devices must also be made known to the audience.

Educational Objectives

At the conclusion of this educational activity, the participant should be better able to:

- Comprehend new information and skills in various areas of basic and clinical pediatric research;
- Apply knowledge gained in all areas of pediatric investigation and practice;
- Understand new tools for teaching and practicing of medicine related to pediatrics.

Core Competencies

The American Board of Medical Specialties endorses the six General Physician Competencies defined by the ACGME for Maintenance of Certification (MOC) to demonstrate evidence of a physician's commitment to lifelong learning and practice improvement.

Patient Care (gathering information; making informed decisions; managing patient health conditions; performing procedures; educating and counseling patients)

Medical Knowledge (applying established and evolving biomedical, clinical and cognate scientific knowledge)

Practice-Based Learning and Improvement (investigating and improving patient care; appraising and using scientific evidence; using information technology)

Interpersonal and Communication Skills (exchanging information with patients and their families; being a team player)

Professionalism (demonstrating accountability to patients and ethical principles and sensitivity to a diverse patient population)

Systems-Based Practice (being responsive to system needs; practicing cost-effective care; advocating quality care; partnering with managers to improve patient care.)

AAP Credit

This continuing medical education activity has been reviewed by the American Academy of Pediatrics and is acceptable for up to 47.5 AAP credits. These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Fellows of the American Academy of Pediatrics.

Nursing Credits

Nursing credits are being provided through the Ambulatory Pediatric Association. Please complete the appropriate form at the Continuing Education Desk at Meeting Registration. Provider is approved by the California Board of Registered Nursing, Provider Number CEP 4754, for 47.5 contact hours. Hours should be claimed based on those hours actually spent in an educational activity.
