

POLICIES FOR PRESENTERS

2010 Pediatric Academic Societies' Annual Meeting

In cooperation with the Center for Continuing Education Tulane University Health Sciences Center

CONFLICT OF INTEREST DISCLOSURE REQUIREMENTS

PAS programming is jointly sponsored by the Center for Continuing Education, Tulane University Health Sciences Center. All educational activities are implemented in accordance with the ACCME Essential Areas and Elements, ACCME Policies, and ACCME Standards for Commercial Support to ensure balance, independence, objectivity and scientific rigor.

The Disclosure and COI Resolution Guidelines comply with the [ACCME Standards of Commercial Support \(SCS\)](http://www.pas-meeting.org/2010Vancouver/CME/Std%20for%20Commercial%20Support%2004.pdf) (<http://www.pas-meeting.org/2010Vancouver/CME/Std%20for%20Commercial%20Support%2004.pdf>). The SCS describe six Standards: (1) independence (2) resolution of personal conflicts of interest (3) appropriate use of commercial support (4) appropriate management of associated commercial promotion (5) content and format without commercial bias and (6) disclosures relevant to potential commercial bias. These Standards underscore continued voluntary self-regulation by the CME community, ensuring that physicians have opportunities to engage in commercially unbiased life-long learning facilitated by accredited providers. The purpose of this policy is twofold: establishes guidelines and a mechanism for identifying and resolving conflicts of interest in CME educational activities as required in Standard 2 and is consistent with Tulane University's institutional policy for resolving conflicts of commitment and interest. **Any real or apparent conflicts of interest related to the content of the presentation must be resolved prior to participation and/or presentation.**

To ensure that the content of your presentation/participation promotes improvements or quality in healthcare and avoids evidence of commercial bias, we ask you to follow the PAS/Tulane CCE Policy and Procedure for Identifying and Resolving Conflicts of Interest (COI) - (<http://www.pas-meeting.org/2010Vancouver/CME/CMEPolicy.asp>). Please pay special attention to the definitions of terms in assessing your disclosure.

Disclosure information will be compiled by the PAS and distributed to all attendees during the meeting. Presenters are required to convey to the audience all relevant conflicts of interest and/or unapproved or off-label discussions disclosure information. The audience will be informed by the following method(s):

- Verbal announcement from the podium at the beginning of the presentation
 - Noted on a presentation slide and displayed at the beginning of the presentation
 - Visible notation on poster presentation immediately following the poster title and authors
- Disclosure information will also be compiled by the PAS and made available for meeting attendees to review onsite.

To ensure that the content of your presentation promotes improvements or quality in healthcare and avoids evidence of product bias, we ask you to follow the PAS/Tulane CCE's Policy and Procedure for Identifying and Resolving Conflicts of Interest (COI) <http://www.pas-meeting.org/2010Vancouver/CME/CMEPolicy.asp>. Please pay special attention to the definition of terms in assessing your disclosure.

Please email questions or inquiries to COI_info@pas-meeting.org or call the PAS Program office at 281-419-0052.

GENERAL POLICIES

- If the research is published in manuscript form prior to the meeting, the PAS Program Office must be notified immediately.
- The PAS meeting is a public forum and formal press releases will be prepared from pre-selected abstracts. No press releases may be distributed or displayed at the meeting without prior approval from the staff of the Press Room.
- Statement for Sabbath Observant Presenters: Those individuals who are unable to present at sessions on Saturday or Sunday should contact our office at info@pas-meeting.org as soon as possible in order to be accommodated at other sessions.
