

Door Drop Service

For Industry Sponsored Satellite Symposia

PAS 2011 Denver

What is a Door Drop?

A convenient marketing tool that delivers your Industry Satellite Symposium announcement directly to the hotel rooms of attendees. Door Drops are a very effective way of reaching your attendees and giving them an opportunity to plan which events to attend.

Who is Convention Communications?

Convention Communications is the leading provider of Door Drop services. Hotel marketing is our only business.

Convention Communications' Green Initiative.

For each company participating in our Door Drop Service, Convention Communications will have a native tree planted in a US ecosystem restoration project to offset the resources used in printing and the CO2 emitted in transportation. And please consider the environment when you design and print your materials.

Do we need approval from show management to do a Door Drop?

Yes. You *must* email your request to kathyc@aps-spr.org by April 8.

Why should I work with Convention Communications instead of contacting the hotels myself?

PAS has designated Convention Communications as the exclusive provider of Door Drop services. Instead of having to coordinate all the details with many hotels, you work only with us. Convention Communications does *all* of the legwork.

Will Convention Communications save my company money?

Because we work with several sponsors and exhibitors, we are able to combine all Door Drop items in a single door-hanger bag. You will pay quite a bit less to have us do everything than if you made all the arrangements, shipped materials and cut checks to the all the hotels yourself!
