

**Pediatric Academic Societies (PAS) 2024 Meeting  
Maintenance of Certification (MOC) Assessment  
ELIGIBLE SESSIONS**

<b>SESSION TYPE</b>	<b>SESSION TITLE</b>
<b>FRIDAY, MAY 3, 2024</b>	
<b>Debate/Pro-Con Discussion</b>	Clashes Over Sepsis: Debating Infectious Diseases in the ICU
<b>Hot Topic Symposia</b>	AAP and AFSP Suicide Prevention Ambassador Project: Impacting the Community Through Collaboration and Engagement
	Addressing Youth Firearm Suicide: Clinical, Policy, and Research Approaches
	Health Equity in Health Systems: Translating Diversity, Equity, and Inclusion into the Clinical Enterprise
	Hypertension when the other disease is paramount
	Impact of respiratory virus infections in school settings and evolving possible strategies for prevention
	Maternal and Parental Incarceration and its Impact on Child Health - Bridging Across Generations
	New insights into the development and progression of kidney disease in sickle cell disease
	Social Media and Youth Wellbeing: Updates from the AAP Center of Excellence
<b>Panel Discussion</b>	Can AI solve some of Neonatology's greatest challenges?
	Triple Trauma of Displacement and Migration: Impact on Child Health
<b>State of the Art Plenary</b>	Childhood Cancer and the Environment
<b>Workshop</b>	A Career in Antimicrobial Stewardship... so Much More to Explore
	A Practical Guide to Designing and Evaluating Game-Based Learning in Health Professions Education
	Battlefield Acupuncture for Acute Pain Management
	Building a Career in Quality Improvement
	Case Studies in Pediatric Kidney Diseases: Who, When and How to Order Genetic Testing?
	Collaborative Development of Shared Curricula for Pediatrician-Scientist Development
	Daring to Advance DEI: Persisting in DEI Education within Legislative Limits
	Disordered Eating and Eating Disorders in Pediatric Obesity: Assessment, Treatment, and Where we go from here
	From Daunting to Doable: Introducing a Practical Framework to Complete a Journal Peer-Review
	Hands on Training To Assess The Significance of a Patent Ductus Arteriosus Using a Neonatal Echocardiography Simulator
	How to not be a parasitic researcher: Decolonizing Domestic and International Research Partnerships
	Implementing SALSA (Surfactant Administration through Laryngeal (LMA) or Supraglottic Airways) using QI methods: We can help!
	iSPOT an Improvement: Taking Peer Observation and Feedback to the Next Level
	Let's Give Them Something to Talk About: Using the Two-Minute Preceptor Model to Improve Serious Illness Communication Skills
	Things I Wish I Knew: A Knowledge Café for Trainees
	You Can't Handle the Tooth! Adventures in Managing Acute Pediatric Dental Injuries
<b>SESSION TYPE</b>	<b>SESSION TITLE</b>
<b>SATURDAY, MAY 4, 2024</b>	
<b>Basic-Translational-Clinical Roundtable</b>	NEW: Society for Pediatric Research Basic/Translational Research Assembly: Delineating pathways regulating development and disease at molecular and cellular resolution
	NEW: Society for Pediatric Research Clinical Research Assembly
<b>Debate/Pro-Con Discussion</b>	Can Organized Labor Combat Organized Greed? Debating Unions in Pediatrics
	Controversies in Pediatric Pneumonia: A Pro/Con Debate
	Should Pediatricians Advocate Banning All Screens From Bedrooms?
<b>Hot Topic Symposia</b>	Adolescent drug overdoses: A need to confront a toxic drug supply with policy and overdose prevention
	Advances in Neonatal Transfusion: New Insights on WHEN and WHAT We Should Transfuse
	Association of social determinants of health with access and outcomes in kidney disease
	Critical Care Nephrology
	Digital Twins Concept for Precision Nutrition in Preterm Infants: Is this the future?
	Environmental Chemical Exposures and Child Neurodevelopment: Who May be Most Affected, Why, and How we can Protect?
	From Citizenship to Scholarship: Crafting your Professional Identity in Advocacy, DEI, and Education
	Kidney transplant in special populations
	March of Dimes Agnes Higgins Award and Lecture
	Nephrogenetics in nephrotic syndrome
	Outpatient Antibiotic Stewardship in Pediatrics... Duration, Communication, Collaboration
	Primum Non...No-seriously its Syphilis
	Social Determinants of Hypertension

**Pediatric Academic Societies (PAS) 2024 Meeting  
Maintenance of Certification (MOC) Assessment  
ELIGIBLE SESSIONS**

	The Science of Rehabilitation in High-Risk Infants
	Top articles in medical education 2023: Applying the current literature to educational practice and scholarship
	Under Pressure to Choose the Right Pressor in the Neonate - Where is the Evidence?
	Updates for Common GI Issues: GER, H.pylori, and Fatty Liver Disease
	Vaccines in Peril: Understanding and Combatting Modern Vaccine Hesitancy at the Federal, State and Community Level
<b>Panel Discussion</b>	Calming the Butterflies: Optimizing Pediatric Sedation by Treating Child and Caregiver Anxiety
	International Perspectives on Low Value Care
	Machine Learning and Artificial Intelligence in Global Neonatal and Child Health: Promise, progress and challenges
	Providing Care For Youth in Legal Settings and Preventing Entry and Re-entry for Youth in Communities
	Systemic Corticosteroid Use in Neonates: Contemporary Controversies and Current Evidence
	The End of Affirmative Action: Conversations on the Current and Future of DEI in Pediatrics
<b>State of the Art Plenary</b>	The Social Ecology of Early Childhood and Pathways to Child Wellness
	What Is the Evidence Base for Medicaid Payment Policy?
<b>Workshop</b>	"The soil, not the seed": Psychological Safety in Resident Remediation
	"I don't really belong here" ....Establishing Your Place at the Table and Fostering a Sense of Belonging as a Leader
	"I Highly Recommend": Mitigating Bias when Writing Effective Letters of Recommendation
	A Doctor in the School Nurse's Office? Bringing a Virtual School Based Program into Practice
	A Practical Approach to a Thorny Issue: Evaluating the Role of Race, Ethnicity, and Ancestry in Clinical Decision-Making
	Addressing Misinformation & Building Competency for Gender Diverse Patient Care
	AI as Admin: How to (Ethically?) Use ChatGPT as an Academic Pediatrician
	Analgesia & Sedation Research Agenda Workshop
	Assessing and Managing Youth Suicide Risk in Complex Cases in Outpatient Medical Settings: A PCMH Workshop
	Avoiding the Plagiarism Trap
	Centering marginalized voices: Applying a health equity lens to the practice of narrative medicine
	Collaborating with National Research Networks to Expand and Diversify the Reach of Your Research
	Confound It! Understanding and Addressing Confounding Bias in Pediatric Clinical Research
	Critical Race Theory in Medical Education: Applying Medical CRT Principles to Teaching Learners about Health Equity
	Developing an Advanced Advocacy Curriculum; The secret to the secret sauce
	Elevating Medical Education in the Post-Pandemic Era: Exploring Hybrid Flexible Instruction as the Next Frontier
	Enriching Educators and Empowering Learners: The Co-Creation Approach to Curriculum Development
	From Bedside to State House: Daily Advocacy
	Good Grief?: Defining and Supporting the Experience of Grief in Pediatric Providers, Trainees, and Teams
	Hands-on Training to Assess Cardiac Function, Left Ventricle Output and Hypovolemia Using Neonatal Echocardiography Simulator
	Incorporating Climate Change into Medical Education
	Inspiring Teachers through a Best Practices Guide to Active Teaching and Learning
	It's a Journey: Incorporating Ikigai in Coaching for Professional Fulfillment
	Manage the Mayhem: Empowering the Pediatrician for Mass Casualty Incidents
	No One Came to My Talk! Applying Communication and Marketing Principles to Faculty Development to Enhance Engagement
	Not Just a Game: An Escape Room targeting Anti-racism Integration in the Workplace
	Patient-Centered & Destigmatizing Language: How Words Matter in Documentation
	Reel 'Em In": Creating an Educator Tackle Box to Help You Teach on the Fly and Engage Learners of All Interests and Levels
	Rise Up: Overcoming Resistance to Diversity, Equity, & Inclusion Efforts
	Start, Build, and Grow a Successful and Sustainable Research Staff Infrastructure
	Striking Scholarly Gold: A Treasure Map for Trainees to Maximize Academic Productivity
	The Role of Social Determinants of Health in Centering Equity in QI Research
	Want your data skills to go from great to Epic? Learn how to extract EHR data and jumpstart your research today!
	Winning the Wean: Developing and managing sedation weans
	Writing and Publishing Quality Improvement: Practice, Pitfalls, and Perspectives (from Journal Editors!)
<b>SESSION TYPE</b>	<b>SESSION TITLE</b>
<b>SUNDAY, MAY 5, 2024</b>	
<b>Debate/Pro-Con Discussion</b>	Hot Controversies in Pediatric Lung Infections: Debates that Could Change your Practice

**Pediatric Academic Societies (PAS) 2024 Meeting  
Maintenance of Certification (MOC) Assessment  
ELIGIBLE SESSIONS**

<b>Hot Topic Symposia</b>	Children, Youth, and Cannabis: What Does the Evidence Say?
	Generative AI The future of Health Professions Education
	GI and NICU - Teamwork makes the Dream Work
	Global Scales for Early Development (GSED) for 0-3 year olds – Development, Purpose and Next Steps
	Hyperglycemia and outcomes after neonatal encephalopathy
	Impact of Diversity on Pediatric Pharmacogenetics: Implications for Research and Clinical Implementation
	Introduction to the Injury Equity Framework
	New insights into UTI mechanisms, prevention and long-term management of severe bladder dysfunction
	Optimal Strategy for RSV Protection in Infancy: Maternal Vaccine or Newborn Monoclonal Antibody?
	Saved by the magic wand: The use of POCUS in pediatric procedures
	Tantalizing Novel Therapeutics to Prevent Bronchopulmonary Dysplasia in Premature Infants - Where are we now ?
	The Heart and Brain Unite: Their Interconnections in Neonatal Hypoxic Ischemic Encephalopathy
	The role of non-opioid management in pediatric patients for pain: Is this the new preference?
	Using big ideas and big data to study small numbers of small patients
	Wake up and smell the coffee! Caffeine use in the NICU”
	Who Owns Child Health?: Financing Pediatric Health Care in the Post-COVID Era
	William Silverman, MD Lecture
<b>Panel Discussion</b>	Addressing Hesitancy for Children and Adolescent Vaccines: The Next Big Challenge
	Disability in Pediatrics : changing perceptions from research outcomes to clinical care pipelines
	Pediatric Procedural Sedation Training from Bedside to C-Suite: curricular development & implementation & credentialing
	Pediatric Subspecialty Workforce 2024: State, Needs, Barriers, and Solutions
	Submitting Your Article for Publication -- Talk to the Editors-in-Chief
<b>State of the Art Plenary</b>	Beyond mg/kg: A Paradigm Shift in Drug Dosing – Pharmacokinetic Model-Informed Precision Dosing (MIPD) to Improve Outcomes
	Child Health Policy and the 2024 US Presidential Election: A Pediatric Policy Council State of the Art Plenary
	Improving Access to Quality Healthcare for Children and Adolescents in Custody
<b>Workshop</b>	Accelerating Bench to Bedside Innovation: Introduction to Dissemination and Implementation Science
	Actions May Speak Louder, But Words Matter- Communication Strategies to Empower Diverse Voices to Lead
	Asking the Right Questions: Screening for Bias in Clinical Pathways
	Career Fit 2.0: Exploring Meaning in Work to Develop a Career Fit Action Plan to Promote Professional Well-Being
	Challenge Accepted: Integrating Behavioral Health in Primary Care for Children with Medical Complexity and Their Families
	Charting Your Career: Navigating Quality Improvement, Patient Safety, and the Journey to a Learning Organization
	Child Protective Services Referrals in the Context of Intimate Partner Violence: Clinical Practice, Research, & Advocacy
	Community-Engaged Learning: Getting the Most Mileage for your Milestones
	Curriculum Development for Pediatric Humanitarian and Disaster Response Training
	Delivering a Novel Strategy to Address Food Insecurity through Clinical-Community Partnerships
	Developing a Point of Care Ultrasound Program in your Neonatal ICU – What does it take?
	Embracing Failure: The Key To Success In Academic Medicine
	Every pediatrician can provide high-quality contraceptive care in Post-Roe America
	Getting Started in Research! A workshop from folks who love research
	Hands on Workshop: Complex Resuscitations in Neonates and Infants - Managing High Acuity, Low Occurrence (HALO) Events
	Improving your diagnostic and procedural skills in newborn practice: hips, tongues and circumcision
	Introduction to Statistical Process Control: Using Run Charts to Drive Quality Improvement
	Launching and Landing a Career in Medical Education: From Passion to Profession
	Lost in Translation: A Medical Improvisation Workshop to Address Language Barriers
	Maximizing the Impact of Your Publication!
	Navigating Medical Directorship: Perspectives from Women in Leadership Positions
	Pediatric Approach to Trauma, Treatment, and Resilience (PATTeR): Trauma-Informed Care Training for Pediatric Trainees
	Practical Thematic Analysis: A Simple, Participatory Approach to Qualitative Analysis
	Professor ChatGPT: How to Use Generative AI as a Medical Educator
	Rock the Vote: Civic Engagement as a Social Determinant of Health
	School Attendance as a Vital Sign: Integrating school attendance into practice to advance health and educational equity

**Pediatric Academic Societies (PAS) 2024 Meeting  
Maintenance of Certification (MOC) Assessment  
ELIGIBLE SESSIONS**

	Sharing serious information with family in a NICU setting: Developing a standardized interprofessional approach
	Should I stay or should I go? Navigating career opportunities in academic pediatrics
	STRIVE for a restorative de-escalation: Strategies for a TRauma-Informed approach using Verbal and Environmental Skills
	Talking About Race at Work: Facilitation Strategies for Freely Discussing Racism in Clinical Settings
	Teaching with the Crowd: Utilizing a Forum Theater Model to Teach Team-Based Communication Skills
	The Compass, the Mirror, and the Swiss-army Knife: Key Principles of Leadership in Pediatrics
	To Err Is Human: Creating A Just Culture
	Unlocking the Future of Medicine: AI-Enhanced Simulations Transforming Medical Education
	Urine the Know: Vaccine Considerations in Pediatric Kidney Disease
	Utilizing Restorative Justice to Reduce Moral Injury Amongst Faculty and Trainees in Academic Pediatrics
	We Don't Talk About Firearms, no, no, no!
	We're screening, now what? Creating Healing-Centered Social Care Interventions in the Inpatient Setting
<b>SESSION TYPE</b>	<b>SESSION TITLE</b>
<b>MONDAY, MAY 6, 2024</b>	
<b>Debate/Pro-Con Discussion</b>	Congenital Syphilis and Neonatal Herpes: The Debate is On!
<b>Hot Topic Symposia</b>	COVID-19 in children -How did we respond to our children?
	Nitric Oxide Resistant Acute Pulmonary Hypertension in Neonates
	Pediatric chronic dialysis: Old dog, new tricks
	Pediatric Policy Council Legislative Breakfast: A Canadian Perspective on Child Health Policymaking
	The New Guideline for Joint Infections in Children - Review and Discussion
	Transient and Persistent Neonatal Hyperglycemia: Mechanisms and Therapeutic Options
	Updates on human milk analysis for nutrient content: what clinicians need to know
<b>Panel Discussion</b>	Bots for Tots: Artificial Intelligence and Machine Learning in Pediatric Care and Research
	From Pre-Contemplation to Action: Making the Case for Implementation Science
	Improving the Diversity of the Pediatric Workforce
	Neuroplacentology: Placental Connections to Brain Development and Neurologic Outcomes
	The Changing Face of Neonatal Clinical Trials
<b>State of the Art Plenary</b>	Key Medicaid Developments: Recent Advances and Opportunities
	National Trends in the Availability and Use of Neonatal and Pediatric Services and Its Impact on Child Health: United States
	Should We Be Adding Congenital CMV to the Universal Newborn Screening Panel? Advocacy, Policy, Progress and Controversy.
	The Long Reach of Prematurity - New Findings
<b>Workshop</b>	Advocacy in Adversarial Times: Lessons Learned from the Florida and Texas Collaboratives to Address Legislative Challenges
	Amplify Your Voice: Media Strategies Beyond Conventional Academic Dissemination
	Becoming a Highly Productive Academic Writer
	Call me! Telephone triage skills for pediatricians across multiple settings
	Challenging Parent Encounters: Skills in Communication and De-escalation
	ChatGPT for Pediatricians: You've heard about it. Now learn how to use it !
	Ch-ch-changes: Transition Care for Adolescents and Young Adults with Intellectual and Developmental Disabilities (IDD)
	Coaching the Struggling Learner
	Creating and Optimizing a Visiting Elective at your Institution for Underrepresented in Medicine (URiM) Students
	Critical Debriefing to Improve Patient Care and Staff Wellness
	G-tubes, Trachs, Central lines, Oh my! How to teach medical technology skills
	Guiding the Reviewers of Tomorrow: Practical Strategies for Journal Peer-Review
	In the Room Where it Happens: Advocating for Pediatric Content in the Pre-Clerkship Curriculum
	Navigating the Political Climate of Gender Affirming Care: Personal, Professional, and Patient Security & Pathways to Prosper
	Reimagining Holistic Review in 2024 and Beyond: Navigating Legal Storms to Achieve Diversity, Equity and Inclusion
	Room for Improvement: Using Escape Rooms to Improve Your Safety Event Reporting Curriculum
	Taking Charge: Designing Your Ideal Career
	Tending the Entire Garden: Fostering Equitable and Inclusive Teaching Practices for Health Professions Educators
