

# PAS 2024

PEDIATRIC ACADEMIC SOCIETIES MEETING  
MAY 2-6, 2024 • TORONTO, CANADA

**Calls are now open for:**  
**Scholarly Sessions | Workshops | SIGs | Ancillary Events**  
**Volunteers: Reviewers and Moderators**  
**August 1 - September 18, 2023**

Friends of the PAS Meeting,

On behalf of the Pediatric Academic Societies 2024 Meeting, I am pleased to invite you to submit proposals for the PAS 2024 Meeting. The call is open from August 1 through September 18, 2023.

With its combination of cutting-edge original research, world-renowned experts in basic and clinical sciences, and network of cross-disciplinary colleagues, the PAS Meeting connects the global academic pediatric community to advance scientific discovery and promote innovation in child and adolescent health.

We are excited to receive your proposals and look forward to receiving your Volunteer sign-ups to participate as a Reviewer or Moderator.

[Submit Now](#)

1

**Start early: Prior to submission, all proposed session participants must submit the following three required pre-submission tasks**

- a. Participant Information Form
- b. COI Disclosure Form (due to recent changes in ACCME requirements)
- c. Acknowledgment Form

Submissions cannot be accepted unless the above tasks are completed.

2

**All submitters are expected to give proactive attention to DEI in the planning of session content and presenters**

PAS continues to commit to reaching our DEI goals, creating a more diverse and inclusive program and community. (For more information, please read our PAS DEI Statement [here](#).)

We appreciate and look forward to your submissions. Thank you for your support of the PAS Meeting.

Happy Submitting!

Judith S. Shaw EdD, MPH, RN  
PAS 2024 Meeting Program Chair
