

ABSTRACT TOPIC AREAS

- Adolescent Medicine
 - General
 - Disordered Eating
 - Substance Use
- AI/Technology
 - EHR/Medical Informatics
 - AI/Tech – Academics
 - AI/Tech – Clinical
 - Social Media
 - Telemedicine
- Allergy, Immunology, and Rheumatology
- Asthma
- Breastfeeding/Human Milk
- Cardiology
- Child Abuse and Neglect
- Children with Chronic Conditions
- Clinical Bioethics
- Critical Care
- Developmental and Behavioral Pediatrics
 - ADHD/Learning Problems/Schools
 - Autism
 - Behavior Problems
 - Developmental Disabilities
 - Other
 - Parenting
 - Screening and Assessment
- Developmental Biology/Cardiac and Pulmonary Development
- Emergency Medicine
 - Emergency Medicine All Areas
 - Emergency Medicine Quality Improvement
- Endocrinology
- Environmental Health
- Gastroenterology/Hepatology
- General Pediatrics
 - General Pediatrics All Areas
 - Primary Care/Prevention
- Genomics/Epigenomics
- Global Neonatal and Children's Health
- Health Equity/Social Determinants of Health
- Health Services Research
- Hematology/Oncology
- Historical Perspectives
- Hospital Medicine
 - Clinical
 - Education
 - Quality Improvement
 - Systems/Population-based Research
- Hypertension
- Immunizations/Delivery
- Infectious Diseases
- Injury Prevention
- Medical Education
 - Medical Education: Diversity, Equity and Inclusion
 - Medical Education: Faculty Development
 - Medical Education: Fellow
 - Medical Education: Professional Educator
 - Medical Education: Medical Student
 - Medical Education: Resident
 - Medical Education: Simulation and Technology
- Mental Health
- Neonatology (**See Neurology for those topics**)
 - Neonatal Bilirubin Metabolism
 - Neonatal Clinical Trials
 - Neonatal Fetal Nutrition and Metabolism
 - Neonatal Follow-up
 - Neonatal General
 - Neonatal GI Physiology and NEC
 - Neonatal Hematology and Transfusion Medicine
 - Neonatal Hemodynamics and Cardiovascular Medicine
 - Neonatal Infectious Diseases/Immunology
 - Neonatal Less than 25 weeks
 - Neonatal Nephrology/AKI
 - Neo-Perinatal Health Care Delivery: Epidemiology/Health Services Research
 - Neo-Perinatal Health Care Delivery: Practices and Procedures
 - Neonatal Pulmonology: Basic/Translational Science
 - Neonatal Pulmonology: Clinical Science
 - Neonatal Quality Improvement
 - Neonatal/Infant Resuscitation
- Nephrology
 - Nephrology: Basic
 - Nephrology: CKD
 - Nephrology: Clinical
 - Nephrology: Dialysis
 - Nephrology: Translational
 - Nephrology: Transplant
- Neurology
 - Neonatal Neurology: Clinical Research
 - Neonatal Neurology: Pre-Clinical Research
 - Pediatric Neurology
 - Neurodevelopment
- Newborn Care
- Obesity
- Palliative Care
- Pediatric Nutrition
- Pediatric Therapeutics and Pharmacology
 - Medication Safety Research
 - Medication Quality Improvement
- Public Health and Prevention
- Pulmonology
- Quality Improvement/Patient Safety
 - All Areas
 - Evaluation Research on QI Educational Interventions
 - Improvement Science Research Methods
 - Primary and Subspecialty Outpatient Quality Improvement
 - Subspecialty-specific QI: see specialties above
- Sedation Medicine
