

# PowerPoint Requirements

## PLEASE REMOVE FROM YOUR FINAL SLIDE DECK

- Copyrighted images are not permitted.
- Heading's font size should be 49.
- Body font size should be 24.
- Ensure images are large enough for audience to easily view.
- No PowerPoint animations are permitted due to video uploads.
- These slides are set to 16:9 ratio and should not be changed.
- No embedded videos or animations are permitted.
- Font should be Arial and font color black
- A good rule of thumb is 1 slide per minute - This means a 10-minute presentation would be a max of 10 slides.
