

PAS RULES & REGULATIONS

The Pediatric Academic Societies (PAS) act for exhibitors and their representatives in the capacity of agent, not as principal. The PAS assumes no liability for any act of omission or commission in connection with this agency, including, but not limited to, any loss or damages suffered by an exhibitor as a result of any act or omission of any vendor, service providers or other exhibitors. Exhibitors and their representatives hereby release the PAS from any and all liabilities for loss or damage ensuing from any cause whatsoever, except for claims for damages or injuries resulting from the PAS failure to fulfill its obligations as set forth in the rules and regulations and booth construction guidelines.

Before any exhibit may be removed from the building, exhibitors must make arrangements satisfactory to the PAS, the Convention Center and the PAS official vendors for the payment of any charges incurred by the exhibitor in connection with presenting their exhibit.

Liability

The exhibitor agrees to protect and keep the PAS forever harmless from any damage or charges imposed for any violation of any law or ordinance whether occasioned by the negligence of the exhibitor or those holding under the exhibitor, as well as to strictly comply with the applicable terms and conditions contained in the agreement between the exhibit hall and the PAS regarding the exhibit premises; and further, the exhibitor shall at all times protect, indemnify and keep harmless the PAS and the Convention Center against and for any and all costs, damages, liability or expense arising from or out of accident or other occurrence to anyone, including the exhibitor, its agents, employees or business invitee, which arise from or out of or by reason of said exhibitor occupancy and use of the exhibition premises or a part thereof. Exhibitors are encouraged to insure themselves against property loss or damage and against liability for personal injury.

Eligibility to Exhibit

The Technical Exposition is an extension of the Continuing Medical Education (CME) program of the PAS. In order for your application to be accepted, your products and

services must be related to the practice of pediatrics, and you must be in good financial standing with the PAS.

The PAS has the right to withhold approval of the exhibition of products and services that, in its judgment, do not further the education, scientific or practice needs of its members and attendees. At the request of the PAS, an exhibitor shall remove any product or service included in the display for which approval has not been given.

Payment of Space

A deposit equaling 50% of the total booth space rental must be paid within 30 days of the booth application. Full payment of the booth space is due on November 19, 2025.

Applications submitted after November 19, 2025, must be paid in full within 30 days of the booth application. If the booth is selected within 30 days of the PAS Meeting, full payment is required before the first day of exhibits.

Cancellations & Refunds

The PAS must be notified in writing of the cancellation. For cancellations received by the close of business on November 19, 2025, the PAS will issue a refund of 100%. No refunds will be issued for cancellations received after November 19, 2025. If booth space is reduced, the net reduction of space will be treated as a cancellation of that booth space. No-shows will be treated as cancellations and the exhibiting company will lose all accumulated points toward the following year's space assignments. It is expressly agreed by the exhibitor that in the event the company fails to pay the space rental at the times specified or fails to comply with any other provisions contained in these rules and regulations concerning the use of exhibit space, Show Management shall have the right to reassign the confirmed booth location or to take possession of said space and lease same, or any part thereof, to such parties and upon such terms and conditions as it may deem proper. In the event of a default by the exhibitor, as set forth in the previous sentence, the exhibitor shall forfeit as liquidated damages, the amount paid by the company for their space reservation, regardless of whether or not Show Management enters into a further lease for the space involved. In case the exhibition shall not be held for any reason whatsoever, then and thereupon the rental and lease of space to the exhibitor shall be terminated. In such case the limit claim for damage and/or compensation by the exhibitor shall be the return to the exhibitor of the prorated amount already paid for space for this specific event.

Exhibits Floorplan

Show Management has the right to alter the floor plan for the betterment of the show.

Exhibit Booth Staffing

As a courtesy to the attendees and to fellow exhibitors, it is important that exhibitors open their exhibits on time each day and staff them throughout the day until the scheduled closing of the Technical Exposition on the last day. It is strongly recommended that all exhibitors staff their booths with a minimum of two representatives and schedule departing flights accordingly to ensure adherence to this regulation.

PAS EXHIBITOR CODE OF CONDUCT

The Pediatric Academic Societies (PAS) Meeting is committed to providing a professional, collegial, safe, and respectful environment for the PAS Meeting. All attendees must agree to conduct themselves professionally and comply with all Code of Conduct rules. They may not engage in any demonstrations or other behavior that PAS deems potentially disorderly to the conduct of the meeting or that invade on the rights or safety of others.

The following practices are strictly prohibited at the PAS Meeting:

- Solicitation of any kind by the Exhibitor/Sponsor outside of your booth/table, especially in scientific meeting rooms.

Such insurance shall include contractual liability and products liability coverage with the combined and single limits of liability of not less than \$1 million. The exhibitor shall obtain and furnish upon the request of PAS Exhibit Management a Certificate of Insurance evidencing the required insurance. *Note: Each exhibiting company must have a certificate of insurance. This is in addition to a certificate of insurance for companies providing set up and dismantling.

PAS Priority Point System

The PAS Priority Point System will be used to determine priority appointments for future year booth selection. PAS will use the exhibitor's past three years points to determine appointment time. Points are accumulated as follows:

- Total number of booths contracted (1 point for each 10' x 10' [100 square foot] space)
- Completion of Post Exhibitor Evaluation (1 points per year)
- Securing housing inside PAS Housing Block through the official Housing Bureau: Companies who make reservations for nine rooms or fewer will receive two priority points. Companies with ten or more rooms will receive two priority points for the first nine people, plus one point for each additional ten people booked at any of the PAS official hotels.
- PAS Sponsors receive between 3-15 points depending on the level of Sponsorship
- Under \$20k – 3 points

Enforcement of Rules and Regulations

As a condition for exhibiting, each exhibitor shall agree that they, their employees and their agents will observe all PAS policies and regulations as described in this document. Failure to halt or amend these actions or comply with these policies and/or regulations will result in the following penalties:

- A warning will be issued to the exhibiting company, outlining the actions that are in violation of the policy and regulations.
- The first penalty assessed by the PAS will result in the company not accruing the exhibit participation points for the current year.
- The second penalty assessed by the PAS will result in the company losing one-half of its accrued exhibit participation points.
- The third penalty assessed by the PAS will result in the company losing all of its accrued exhibit participation points.
- The fourth penalty assessed by the PAS will result in the company not being eligible to exhibit at future PAS meetings and exhibitions.
- The PAS reserves the right to restrict and/or dismiss at any time exhibit, which it deems undesirable. Violators of the Rules and Regulations outlined in this document will incur a reduction in points as outlined above for each penalty assessed.

Any exhibitor who begins dismantling or packaging their exhibit and/or exhibit materials prior to the close of technical exhibits, will automatically forfeit all priority points earned over the past five years or may not be permitted to participate in future PAS exhibitions.

Whenever practical or appropriate in the view of the PAS, disciplinary action will be progressive, according to the sequence outlined. However, the PAS reserves the right to levy a more severe penalty, including refusal of or termination of the exhibit at its discretion, without progressing through each of the successive steps. In the event of such

restriction or eviction, the PAS will not be liable for any refunds or rentals, or other exhibit expenses.

In all interpretations of the Rules and Regulations, the decision of the PAS is final. Any objectionable practices by exhibitors or official suppliers should be reported to the PAS Exposition Manager immediately.

photographed/videotaped without their permission. Television or video cameras are prohibited without prior approval of PAS Show Management.

PAS Attendee Mailing List

Pre-show mailing lists increase booth traffic and exposure of your company's products and services. To assist you in reaching this goal, an Attendee registrant list for PAS 2026 Meeting pre-registrants (approximately 5,000) will be made available to contracted exhibitors for purchase through the Online Exhibit Portal. Please note PAS Attendee email addresses are not included on this list. Lists will be sent out in an electronic format (Microsoft Excel spreadsheet). If you request a pre-show attendee registrant list, the PAS does require that your promotional piece be approved before it is mailed to the registrants. Material mailings must be used in the promotion solely for the purpose of inviting attendees to your booth. Product information and company logos are allowed. All promotional materials that include product information must have FDA approval. Products or equipment that have not received FDA approval cannot be promoted through this mailing. Standard Booth Construction

All linear booths are 100 square feet (10' x 10') unless otherwise noted. Booths have a back wall drape that is 8' high, with sidewall drapes that are 3' high. The total height of exhibits (including decorations) may not exceed 8'3" in height. All display fixtures more than 4' in height and placed within 10 linear feet of an adjoining exhibit must be confined to that area of the exhibitor's space that is at least 5' from the aisle line.

Island Booth Construction

An island booth exhibit is a display in four or more standard booth units with aisles on all four sides. Full use of the space is permitted, but the design of the booth must allow for see-through visibility and accessibility from all four aisles. An island booth exhibit may be made by selecting any full block of numbered booths. No drapery is provided for island booths. Island booths exceeding 20' in height will require prior special approval. Island booths may occupy 100% of the rental space but must maintain see-through visibility and accessibility from all four aisles. Visibility must be 50% on all sides. Ex: For a 20x20 Booth Space, openings must be 10ft. on all four sides. A sketch of the island booth must be

submitted to the Official Decorator and Show Management upon request. If sketches are not submitted and the construction is determined to be in violation of the above restrictions, the PAS has the right to prohibit the assembling of the booth. PAS Show Management reserves the right to request the Service Contractor to begin setup on any booth larger than 10' x 20' that has not begun construction/setup by 9:00 a.m., April 28, at the exhibiting company's expense. The Service Contractor will be directed to begin setup on smaller booths (10' x 10' or 10' x 20') at 9:00 a.m., April 28 as well. There will be no exceptions to this rule. Invoices for labor and materials will be billed directly to the exhibiting company.

Booth Construction – General

Exposed unfinished sides and exhibit backgrounds must be draped to present an attractive appearance. Close-off drapery will be provided at no charge to the exhibitor. Booth carpeting is mandatory and is the responsibility of the exhibiting company. The exhibits will be inspected at 4:00 p.m., Friday, April 25. At this time the decorator, with the approval of the PAS Exposition Manager, will provide draping and booth carpeting as deemed necessary. Any charges incurred will be the responsibility of the exhibitor. Booth cleaning is mandatory after move-in and is not included in the exhibit rental fee. The PAS has the right to order cleaning if the booth appearance is unsightly and the cost will be charged to the exhibiting company. Electrical requirements, projection requirements, and all furniture and accessories are the responsibility of the exhibiting company. Order forms for the above services and equipment will be included in the Exhibitor Service Manual, which will be available online to confirmed exhibitors in January 2026.

The use of any and all mechanical devices, power machines or lifts other than hand tools is prohibited on the show floor. Tradeshow Logic will have forklifts available for freight movement and/or the setting of headers for booth display. Lifts provided by exhibitor-appointed contractors will not be permitted on the show floor.

Exhibitors are not permitted to use POWER TOOLS (electric drills, power saws, etc.) on booths of any size. Manual tools such as hammers, screwdrivers, ratchets, pry bars, etc. are allowable for exhibitor use within size and time limitations. Exhibitors may not borrow tools, ladders or other equipment from the exhibit facility or Tradeshow Logic.

Booth Signage

A two-line 7"x 44" identification sign (in black and white) will be provided, giving the exhibitor's name and booth number.

Hanging Signs

Hanging signs are not permitted at the PAS Exposition without the submission of plot diagrams of a proposed hanging sign, and without the approval of PAS Show Management. Plot diagrams must include sign dimensions, which should also include the height of the sign, when hung, from floor to ceiling. Hanging signs and graphics are only permitted to a maximum height of 20' feet from the floor to the TOP of the sign. Due to PAS Rules and Regulations, only exhibitors with booths 20×20 in space, or larger are allowed to submit a request for a hanging sign. *Please remember, due to the location of booths, or complexity of the overhead sign, rigging may be required, which will impact the overall cost to the exhibitor.
