

## **SPEAKER SUPPORT POLICY**

PAS does not pay speaker honorariums. However, we do offer the following speaker benefits for speakers in the follow session types only: **Scholarly Sessions** (Basic-Translational-Clinical Roundtables, Debate/Pro-Con Discussions, Hot Topic/Topic Symposia, Panel Discussions, State of the Art Plenary), **APPD/PAS Fellows Core Curriculum Series**, **PAS SIGs**, and **PAS pre-conference ticketed events**.

**Speakers in session types named above who provide an overview/presentation for 10 minutes or longer:**

- **Member Speaker:** Association members are encouraged to participate actively in the development of their association's scientific program at PAS. A member of APS, SPR, APA, AAP Fellow, ASPN, or PIDS who provides an overview/presentation for 10 minutes or longer receives:
  - Complimentary meeting registration
- **Non-Member Speaker:** Highly qualified speakers who are not yet association members may be invited by session organizers or chairs to participate in PAS. A speaker who was not a member of APS, SPR, APA, AAP Fellow, ASPN, PIDS as of September 1, 2020 and who provides an overview/presentation for 10 minutes or longer receives:
  - Complimentary meeting registration
- **PAS Scholarly Session Program Chairs:** Chairs are not eligible for complimentary meeting registration. Chairs who provide an overview/presentation longer than 10 minutes will be classified as both a chair and a speaker and therefore are eligible for the speaker support detailed above.

### **PAS Original Science Abstract Programs: Platforms, Poster Symposia, Poster Sessions**

Moderators, Discussants, and Presenters are not eligible for complimentary meeting registrations. All participants must register for the PAS Meeting.

### **PAS Clubs**

All participants must register for the PAS Meeting. If grant funding is obtained, the PAS Speaker Support Policy applies, and grant funding is used towards registration fees. If grant funding is not obtained, no speaker support is offered; registration is the responsibility of the speaker.

### **PAS Workshops**—Including ASPN and PIDS Workshops

Workshop presenters are not eligible for complimentary meeting registration. All participants must register for the PAS Meeting.

### **APA Special Interest Groups (SIGs)**

Faculty participants are not eligible for complimentary meeting registration. All participants must register for the PAS Meeting.

### **Presidential Plenaries**

Special guest speakers who are invited by partner and alliance organizations to speak as high profile "Guest Speakers" at the organization's Presidential Plenary Session will follow the PAS Non-Member speaker policy.
