

PAS 2023

**PEDIATRIC ACADEMIC
SOCIETIES MEETING**

**APRIL 27 - MAY 1, 2023
WASHINGTON, D.C.**

POSTGRADUATE COURSE

NEONATAL GENETICS: GENOMICS IN NEWBORN CARE

A postgraduate course focusing on the implementation of genomic care in newborns and the available clinical, translational, and research opportunities. The course will cover the entire spectrum of applications of genomic medicine in newborns. In addition to an overview, we will cover various aspects of genomics including the need for rapid sequencing, cost-effectiveness, the genetic basis of various neonatal conditions, implementation experience in the NICU, and ethical, legal, and social implications and issues of diversity and equity.

Moderators: Drs. Pankaj b. Agrawal, and Lawrence M. Nogee

Speakers: Drs. Pankaj b. Agrawal, Bruce R. Korf, Tara L. Wenger, Rita M. Ryan, Ingrid A. Holm, Sarah U. Morton, Jennifer Wambach, Louis Muglia, Monica H. Wojcik, Tamorah R. Lewis, and Nathaly Sweeney

FRIDAY, APRIL 28, 2023 | 7:00 AM – 1:30 PM | \$175
