

ACTION REQUIRED: PAS Program Committee Teleconference: 10/28/2020 - Agenda & Prework

Good evening everyone!

Let me begin by giving a big round of applause and a sincere thank you to everyone for submitting their Scholarly Session selections through the online process. The selections have been made and are listed here: <https://www.pas-meeting.org/programselection/>. Thank you all again for your dedication to making the PAS Meeting a success!

ACTION ITEM: Pre-Work – Due Wednesday, October 28 at 8am CT

Review list of selected/non-selected Scholarly Session proposals

- Consider the overall balance of the meeting, including any gaps in programming, and identify strong sessions that should be included in the line-up.
- The goal is to make recommendations for additional sessions to be selected by the Program Committee Leadership Team.
- **ACTION:** Use this [link](#) to submit your top three recommended additional sessions to be considered (from the list of non-selected proposals).
- **NEW:** If your Society would like to co-sponsor a session, please use this [form](#) to provide the information so we have all requests in one place.

The agenda for our call on Wednesday, Oct. 28, is available in [OnBoard](#) and if you have any difficulty accessing it, please contact [Michelle Brunoehler](#) for assistance.

In the OnBoard link, the following documents are available:

1. Agenda for 10/28 call
2. Revised list of proposals with selections status listed (sorted by selected and then unselected)
3. Abstract Topic Areas with tentatively assigned Coordinating Chairs

The results of the pre-work will be available in [OnBoard](#) prior to our call on Wednesday and will be posted on the [Program Committee website](#). We look forward to speaking with everyone soon!
